#### Description

The new, lightweight chemical-resistant safety glove with innovative xtra grip technology combines protection and grip with exceptional comfort and flexibility. In addition to a comfortable fit, stockinet chemical-resistant safety gloves provide excellent protection against chemicals and mechanical hazards.

#### Characteristics

- anatomical shape
- exceptional dry and wet grip
- highly flexible
- multilayer design for high resistance time
- high water vapour absorption due to the cotton lining

#### Applications

- automotive sector
- chemical industry
- laboratory
- paint shop
